Rivercrest Civic Association

What can RCA do for me? Why should I join?

Here's what belonging to Rivercrest Civic Association (RCA) can do for you:

- (1) **Protection of property values:** you will have more clout with the Arlington County government and board speaking as a representative of RCA instead of as an individual. This is important as the county considers proposed zoning changes.
- (2) **Updates on neighborhood news:** shared alerts on crime, break-ins, prowlers in the neighborhood; advanced warning on street repairs and closings, water line problems, and projects like the recently installed rain gardens in Rivercrest.
- (3) **News of upcoming meetings and social events such as** periodic happy hours in the neighborhood, Halloween events for kids etc.
- (4) **Links to County sites of interest** such as Arlington County government and schools, Gulf Branch Nature Center, Recycling & Trash, and much more.
- (5) **Access to the Members Only Directory** of Rivercrest residents.

****New**** - we now have a google group open to all Rivercrest members. You can communicate directly with your neighbors for information, recommendations, sale items, pet walkers, snow-clearers, summertime lawn-mowing, babysitters, etc.

To join the google group go to the RCA website and register on the home page:
